## INVEST & EARN INTEREST\*

Empathetic, socially-responsible, and visionary individuals and institutions invest in Cornerstone Fund and earn interest\* rates with fixed-rate returns on their investment with no fees.

## LOAN, EXPAND REACH & EMPOWER IMPACT

Cornerstone Fund is a non-profit financial institution that offers loans directly to churches and faith-based, non-profit organizations. These loans finance impact projects to modernize and innovate such as: affordable housing, childcare, or sustainable energy; and maintenance ministry projects to preserve such as: new roofs, heating and cooling systems, and other repairs.

*These transformative financial solutions create a halo-effect in local communities by:*

- Expanding the reach of ministries and missions guided by faith, social, and environmental principles
- Empowering positive change in local communities
- Igniting economic impact for all

This flow is repeated when churches and faith-based, non-profit organizations repay their loans and Cornerstone can finance more projects.
