

BENEFICIARY LETTER

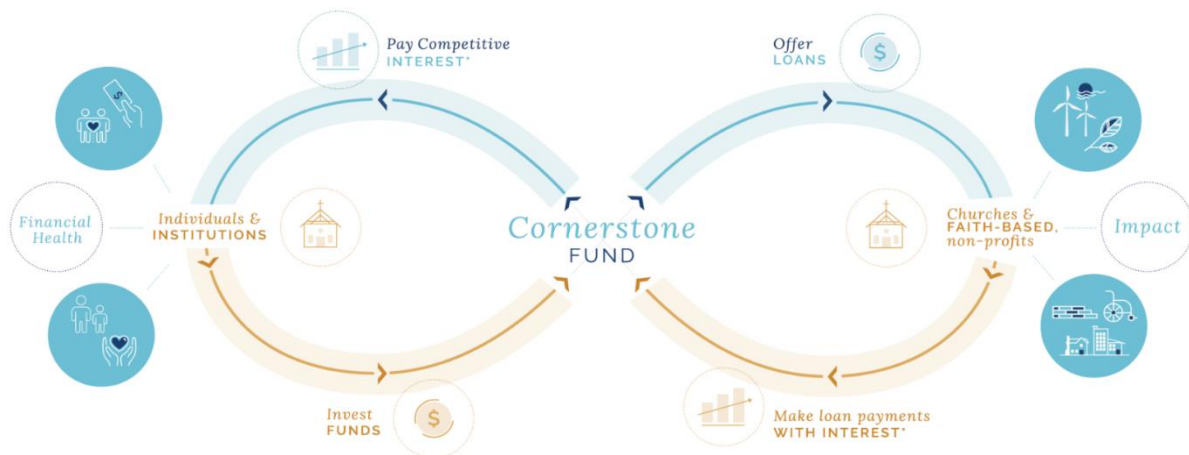

Dear Loved One,

I am writing to you as a Beneficiary of my Investments with the Cornerstone Fund. I hope that through this letter you will come to understand why I participate in the Cornerstone Fund Investing Program.

The Cornerstone Fund is a Financial Ministry of the United Church of Christ, which provides low cost, no-fee loans to churches and faith-based non-profits.

The Cornerstone Fund investing program offers an opportunity for individuals and organizations to take part in projects ranging from worship space renovations to transitional housing developments and everything in between. Participating in the Investing Program is a way to earn a fixed rate return while also investing in church vitality, antiracism, climate care, and more.

This image illustrates the investing and borrowing cycle. I appreciate the way that the Cornerstone Fund is able to do good with my money while also increasing my financial security.

I hope you will consider all of this when you discern how to move forward after my passing. Please also feel free to reach out to the Cornerstone Fund with any questions or concerns you may have.
