

The Living Stones Endowment

What's Your Legacy?

The Cornerstone Fund helps local churches and non-profit organizations create change within their communities. While the Cornerstone Fund is known for offering impact investments, the Living Stones Endowment is an opportunity to make a gift of financial support. Financial gifts allow the Cornerstone Fund to continue serving as a catalyst for ministries to thrive.

Since 1993, the Cornerstone Fund has supported more than 700 churches and organizations with low-cost loans—totaling more than \$350 million in support for building purchases, construction, renovations, environmental improvements to care for creation and lower energy costs, and much more.

Individuals and Organizations can contribute to the Living Stones Endowment with direct contributions and/or through planned giving. The Living Stones Endowment Fund is an unrestricted fund; however, you may designate a gift for organizations or projects that are important to you or your congregation, such as Creation Care, Missional Redevelopment, or community impact programs.

Your Living Stones gift ensures that low-cost loans continue to be accessible through the Cornerstone Fund. Contributions of any size are instrumental in supporting the mission of the Cornerstone Fund.
